

## The 14th European Finite Element Fair

### Bonn, 20.–21. May 2016

#### Time Frame:

The 14th European Finite Element Fair on 20.–21. May 2016 will take place in Bonn, from Friday noon 13:00 (registration starts at 12:00) till Saturday afternoon 16:00.

#### Location:

University Club of the University Bonn,  
Konviktstr. 9, Bonn, Germany

#### Format of the Meeting:

- Each participant is invited to talk.
- Based on the number of speakers the time available will be divided into slots for the talks.
- The order of the speakers will be determined through random choice, by drawing names out of a hat.
- Speakers have to prepare a talk that can be trimmed to various lengths (from seconds to 30 minutes).
- There is no conference fee.
